**The Frog's Activity:  
Leap from leaf to leaf**

**with artist  
Kaitlin Ferguson**

You are going to be a frog like me,  
who hops between each piece of  
paper to do a quick drawing.

Practice doing your best frog leap!

Tape 8 pieces of paper on the floor in a circle

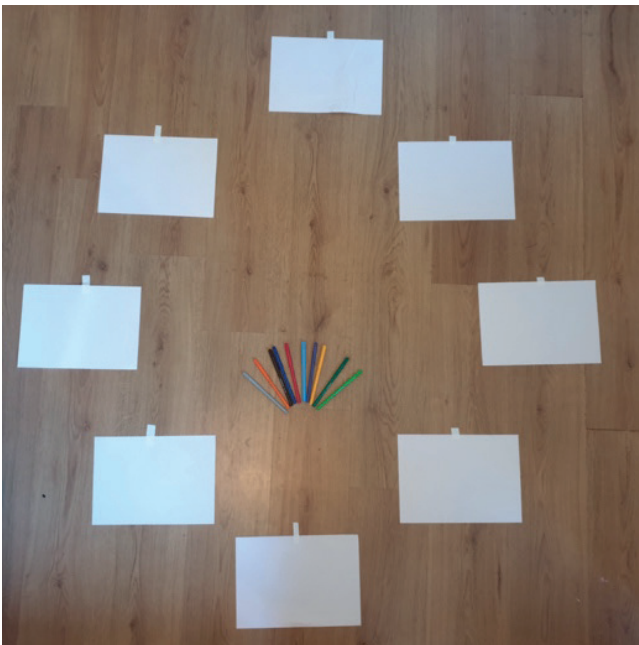

Choose a coloured felt tip pen

On your first piece of paper do a quick drawing

Now hop to your next piece of paper and do another drawing – keep hopping and drawing

When you get back to start grab another colour and go around again!

Watch Kaitlin have a go!

How many colours can you add?

Can you start off drawing for 1 second,  
then 2 seconds and so on so your  
drawing time gets longer?
