If I met a new friend, what do you  
think we would say to each other?

I'm a smart and shiny llama from Peru.  
I am made out of silver.

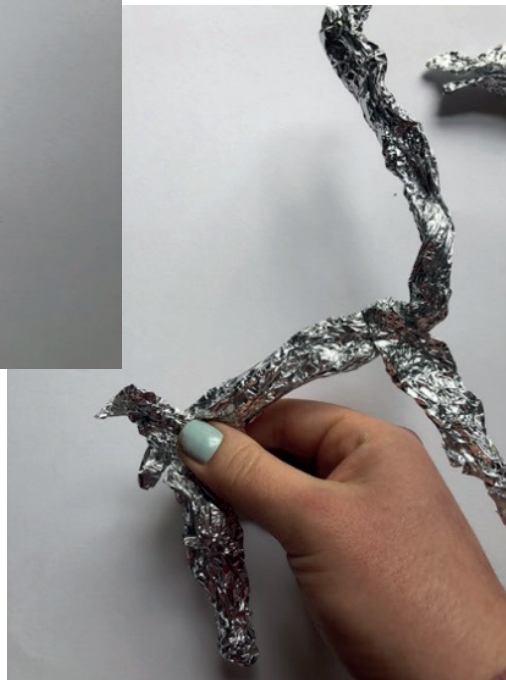

Do you have anything shiny and  
silver coloured in your home?

Follow these instructions to make  
me a friend out of silver foil.

Make sausage shapes out of foil strips by crunching up the foil.

Twist the sausage shapes around each other to form the Llama.

Add details with a marker pen.
